November Stewardship Focus: Lancaster Veteran's Center

The Veteran Center located in the Greenfield Industrial Park in Lancaster began its programs for Veterans in 1979. The primary mission of the center is to provide quality readjustment service for veterans and their families to civilian life.

Since the month of November includes Veteran's Day, the Stewardship Committee decided to honor Veterans this month.

The center serves all veterans, those who have completed their service but also active-duty veterans. The team that staffs this center has a goal of providing whatever a veteran may need in their lives, including connecting them with services either with the VA or in our community. The help provided is geared to help the veteran readjust to their current situation. Some of the situations can be Post Traumatic Stress, Sexual Trauma, Bereavement, Drug and Alcohol, referral for VA benefits, referral for homeless veterans, or any other barrier to the veteran getting care. Some of these cannot be completed with government funds so donations are very welcome.

Christopher Burchett, Veteran Outreach Program Specialist
will present a Temple Talk on November 16th.

Fellowship has started up the Pot Luck dinners once again!

Elevator Restoration Project

In previous Trinity Messenger articles, there has been information about the cost for this project. The total cost will be at least \$200,000. The cost for this project is covered up front by the reserves the church has on hand. What we need to do is replace these reserves. We are not financing this project through any bank or other financial organization.

Currently, we have 113 giving units according to our most recent church directory. If 60 of these giving units would commit to making a donation of \$1.00 a day for the net nine years, the obligation would be met. Each member of our congregation needs to pray and consider their commitment to this financial obligation.

If you mail your donation to the church office, please indicate the amount you are contributing to the elevator restoration project. There will be additional information included in future issues of The Messenger.

CELEBRATE RECOVERY

The local branch of the Christ-centered support group, *Celebrate Recovery*, has begun meeting in the church social hall on Monday evenings from 7:00 PM – 9:00 PM. The group was meeting at City Gate but outgrew their space and reach out to Holy Trinity to see about finding room in our facility. *Celebrate Recovery* is a world-wide ministry that offers support to persons seeking “freedom from their hurts, hang-ups, and habits” and is not limited to those recovering from addiction. It seeks to serve as well those persons struggling with various types of dependency and the pain and trauma associated with these. If you are interested in finding out more about this group and/or how it might be helpful to you, please check out their website at celebraterecovery.com. All are welcome!

Weekly Bible Study: Tuesdays at 11AM

Bible Study Book

The Bible study group will soon begin a new study on the Acts of the Apostles once our study of Romans is completed. To help facilitate this upcoming study, we will be reading and discussing Matthew Skinner’s book *Acts: Catching Up With The Spirit*. The book is available on Amazon and at Barnes & Noble. If you would like to participate in the study or need assistance in ordering the book, please speak with Pastor Mark.

Limping With God

A few Sundays ago, Pastor Mark referenced a book he was reading that centered on the biblical story of Jacob’s wrestling with God and how Jacob’s story can teach us a great deal about our discipleship and our wrestling matches with loving God. The book is entitled *Limping with God: Jacob & The Old Testament Guide to Messy Discipleship* and is authored by Chad Bird. It is available at Amazon or 1517.org/shop.
