

Mazon News: Wednesdays, 4:30—6:00 PM

Our enrichment program for Kindergartners-fifth graders has a new format this fall. Remember that the Hebrew word “Mazon” means to feed. Our culture feeds our children a lot of junk food. The church offers food that builds our children’s lives, helps them grow, and nourishes them forever.

4:30: Recreation time to unwind from school.

4:45: choir time –singing, instruments, a brief study of the next Sunday’s theme and lessons.

5:15: craft and creativity time.

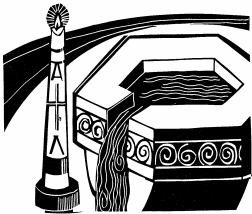

5:30: Worship time.

5:45: Supper– we ask a donation of \$5.00 per month per child.

We are preparing to offer music during the 10:30 liturgy the first and third Sunday each month.
