Mazon 2004: Welcome to Godly Play

After a year of careful study and prayer, I offer the children of Holy Trinity ages 5– grade 5 the chance to enter the world of Godly Play with me. The goal of Godly Play is to teach children the art of using language of the Christian tradition to encounter God and find direction for their lives through experiencing sacred space, sharing sacred stories and wondering together, and choosing creative work to discover their role in the endless story of God and His people. Singing (choir time) and liturgy, the work of God's people, will be part of this program. Our afternoon will be shaped in this way:

4:15– 4:30 PM. Gathering time in the Parish House Basement. A simple snack will be provided.

4:30-5:30 PM. Our program will promptly begin at the door of The Place as we prepare to enter sacred space.

During the Wednesday afternoons of December, the children will be preparing for our Christmas liturgies. Mazon will NOT be held December 29. We will resume on January 5.
